Hello dears!!!

The KMEA NSS UNIT 226 has come up with a wonderful quiz contest as a part of the Independence day.

Guidelines :

The event is open to KMEA students

Questions are provided via google form

The quiz consists of 35 multiple choice questions. Each question carry 2 marks. No negative marking for wrong answers

The duration of the quiz is 7 mins

E certificates will be provided for all participants

In case of tie, there will be a second round for tie breaking

The decision of the judges will be final

Winners will be declared through our insta page

https://instagram.com/nsskmea?utm_medium=copy_link

NSS DAY

Date : 24-Sep-2021

Venue: KMEA Engineering College

Beneficiaries: students and public

Outcome:

Highlights:

KMEA Engineering college NSS unit 226 conducted a program on Sep 24. We had a assembly at 9 am and we host NSS FLAG AT 9.10. Our senior Mr Sahad conducted a session based on NSS. He took 1 hr class for our juniors to know more about NSS. We collect food from our teacher, staff and students. After collecting we give food to the needy people who lives on roadside.

ANTI TOBACCO DAY

Date : 31-05-2021

Venue: KMEA ENGINEERING COLLEGE

Beneficiaries: Students & Public

Outcome: About 130 people participated in the webinar and 500+ participated in the quiz.

Highlights:

മനുഷ്യ നന്മാറുടെ

Smoking is injurious to health 

Tobacco use in all forms is a major cause of disease, disability and death across the world. It is a major risk factor for most of the non communicable disease from cancer and diabetes to respiratory diseases. Tobacco use even increases the risk of COVID - 19.

So here, the KMEA NSS UNIT 226 is conducting a webinar on Anti Tobacco Day, 31st of May by Dr Anas K A to aware you about the harmful effects of tobacco and to clear your doubts on this topic

Hello dears

Finally we, the KMEA NSS UNIT 226 have successful completed the 30 days challenge 🌱 from June 5 as a part of the environment day celebration

We have given life to a plant. So keep maintaining the plant until it acquires proper growth. This is not just a challenge. We are making a small step towards a big goal " Green planet " 🌱🌍

"If we work to save our environment today then we can have a happier tomorrow"
