

STUDENT SCHOLARSHIP POLICY

The KMEA Engineering College (KEC) was established by the Kerala Muslim Educational Association (KMEA) in 2002 with a total intake of 240 students. The college is dedicated to the fond memory of Sri. C. H. Mohammed Koya, a dynamic visionary and an eminent educationalist and administrator, who believed that education was the true path for development and progress.

The KEC educates men and women for a lifetime of critical thinking and strong leadership characterized by continued intellectual exploration, creativity, and imagination. The KEC education enables students to interact daily with faculty who exemplify a passion for learning and a dedication to teaching and scholarship.

KEC fosters an academically thriving curricular and co-curricular environment in which students develop intellectual maturity, personal conviction and strength of character, informed by a deep understanding of different cultures and diverse perspectives. KEC seeks to educate our students to serve the common good and to promote justice in ways sensitive to the moral and ethical dimensions of life.

KEC truly understands the importance of attracting the best and brightest talent to its campus in order to meet and then surpass its own standards of distinction. For that reason it also has to ensure that deserving candidates are not challenged by financial constraints or other inhibiting factors. To this end, the college has developed several welfare schemes and academic scholarships for students as part of its continuous effort to encourage excellence and perseverance in academics.

Details of Welfare Schemes and other Scholarships awarded by Management/Government are given below. Students have to apply for these scholarships through formats, which are available with the college Office /National Scholarship portal

Welfare Schemes for Students

- The College provides financial aid to deserving students on merit-cum-means basis in the form of tuition waivers in several semesters.
- A Group Insurance Scheme, the premium for which is paid by the Institute covers all the students on campus.
